# Land Application Training Days

Getting the most value from your manure resource!

January 26, 2010 or February 24, 2010

Initial training - 9:15 am to 3:30 pm and Recertification - 1:30 pm to 3:30 pm

## What Will I Learn:

### Morning Program:

- Regulations as they relate to manure
- Managing manure nitrogen
- In-depth discussion of recordkeeping and reporting needs
- Manure, soil, and stalk sampling
- Application equipment calibration

### Afternoon Program:

- P-Index
- Regulation updates (*recertification*)
- Manure Marketing and Value (*recertification*)
- Winter Spreading of Manure (*recertification*)
- Panel Discussion (*recertification*)

## How Can I Attend:

- At a local county extension office
  - Choose from any of the counties listed below
- From your home/office computer with high speed internet and speakers for hearing audio (recertification only)
  - Go to <http://water.unl.edu/lat> for instructions and to test your ability to connect or call Leslie Johnson (402-584-3818) before the workshop for assistance. Workshop Handouts are also available at this site.

## Who Should Attend:

- Recently permitted operations that have not completed the initial Land Application Training should attend all day program. Participants attending all day will receive NDEQ initial "Land Application Training" certification. An additional educational training is required every five years for permitted operations. If you are unsure of your certification status, contact Leslie Johnson.
- Farm representative attendance of the afternoon session (1:30 pm to 3:30 pm) will fulfill NDEQ Land Application re-certification required every five years for permitted operations.
- Farm staff and advisors implementing farm's permit or nutrient plan are welcome and encouraged to attend, but not required. Consider making this workshop part of your farm staff's training.

## What Will it Cost:

- The registration fee for all day is \$50 per farm plus \$10 per additional farm participant(s) for lunch. The fee for recertification training at an extension office is \$10. All fees will be due the day of the event at the location in which you are attending. There is no registration fee for recertification training if attended over the internet.

---

Pre-registration is necessary and can be completed by returning the form below **5 business days** in advance of the workshop to Leslie Johnson, 57905 866 RD – Concord, NE 68728. Alternatively, you can call Leslie at 402-584-3818 or sign up on-line by going to: <http://water.unl.edu/lat>
